

Industry Fellowships Program (IFP) Grants Guidelines Changes

SUMMARY OF CHANGES – Industry Fellowships Program Guidelines

1. Formatting Errors:

- This version includes a small number of minor updates to correct formatting errors, such as list numbering. None of these changes affect the intent of the guidelines as originally published.

2. Section 4.8c:

- This clause has been updated to clarify that this includes any not-for-profit registered on the Australian Government's Australian Charities and Not-for-profits Commission Charity Register, not only charities.
