Part A Linkage Program – Grant Details

A1 Purpose of the Grant

- A1.1 The Grants under this Agreement are being provided as part of the Linkage Program, which aims to promote national and international research partnerships between researchers and business, industry, community organisations and other publicly funded research agencies. By supporting the development of partnerships, this program encourages the transfer of skills, knowledge and ideas as a basis for securing commercial and other benefits of research.
- A1.2 The intended outcome of the Linkage Program is to increase Australia’s research and innovation capacity to generate new knowledge and result in the development of new technologies, products and ideas, the creation of jobs, economic growth and an enhanced quality of life in Australia.

A2 Linkage Program Activity

A2.1 Commencement

A2.1.1 We must execute this Agreement with You before We can make any payments. We are not responsible for any of Your project expenditure until this Agreement is executed.

A2.1.2 Before the project can start You must ensure that:

- (a) there is an ethics plan in place. This plan must describe the appropriate ethical clearances from the relevant committees and/or authorities referred to in this Agreement or prescribed by Your research rules. You must ensure that the appropriate clearances will be in place before the parts of the project that require ethical clearances commence. You must retain the plan and make it available to the ARC if requested;
- (b) a written agreement with each Participating Organisation has been signed in accordance with clause A2.2.4;
- (c) a data management plan, in accordance with clause A2.2.5, is in place; and
- (d) if the project was awarded less than originally requested, a revised budget is agreed with the Project Leader. The revised budget must meet the eligibility requirements around the contribution made by You and Participating Organisations, as per the Grant Guidelines.
- (e) If the ARC funding approved for the project varies from the amount requested, pro rata adjustments may be made to the contribution made by You and the Participating Organisations.

A2.2 Grant activities

A2.2.1 The project

- (a) In administering the projects under this Agreement, You must:
 - i. ensure that the project described in the Grant Offer is implemented in accordance with this Agreement, and substantially in accordance with the ‘Project Description’ and within the broad structure of the proposed ‘Project Cost’ contained in the application, as well as any Special Conditions; and
 - ii. comply with any other requirements or conditions imposed by the ARC in connection with any Grant covered by this Agreement.

A2.2.2 Grant funds

- (a) We will not pay more than the approved Grant amount under any circumstances. If you incur extra costs, You must meet them.
- (b) Grant funds can only be used for eligible expenditure items as described in the Grant Guidelines.
- (c) Grant funds may be indexed annually. Further information is available on the [ARC website](#).
- (d) The Grant funds in this Agreement are based on 2020\$ rates.

A2.2.3 Grant funds may not be used for:

- (a) purposes specifically excluded in the Grant Guidelines;
- (b) purposes specifically excluded in this Agreement;
- (c) items excluded as a Special Condition in the Grant Offer; or
- (d) any research and/or activities for which other financial assistance from the Commonwealth has been, is being, or is intended to be provided. The ARC must be notified if any similar research and/or activity is supported by the Commonwealth during the Project Activity Period.

A2.2.4 Participating Organisation Agreements

- (a) You must obtain the written agreement of all Participating Organisations to allow the project to start.
- (b) The level of detail in the agreement must be commensurate with the level of contribution from each organisation.
- (c) The Participating Organisation Agreement/s must:
 - i. outline the roles, responsibilities, contributions and research that must be undertaken by You and the relevant Participating Organisation;
 - ii. describe the Intellectual Property (IP) arrangements that apply to the IP each party brings to the project (or background IP) as well as the outcomes or results generated by the project (or project IP); and
 - iii. not impede or prevent You from complying with any of Your obligations under this Agreement;
- (d) The Participating Organisation Agreement must comply with the conditions of the project as outlined in this Agreement.
- (e) You must retain the written agreement/s, and make it available to the ARC if requested.
- (f) The Participating Organisation must agree upon transfer of the ownership of the IP:
 - i. to provide for the continued operation, of the project and teaching, research and development of new unencumbered IP by You;
 - ii. to provide an assurance that upon any sale, closing down, dissolution and/or liquidation during the term of this Agreement, the ownership of the IP will be renegotiated with You;
 - iii. to provide an assurance that upon any transfer of the ownership of IP, You have reasonable opportunity to retain the proposed benefits to Australia on which the Grant was awarded; and

- iv. to provide an indemnity from the Participating Organisation in favour of You that covers any loss, liability or expense incurred or suffered by You as a result of any breach of this Agreement.

A2.2.5 Data Management Plan

- (a) You, Specified Personnel and Participating Organisations have an obligation to collect and maintain research data in accordance with the *Australian Code for the Responsible Conduct of Research* (2018) (the 2018 Code).
- (b) A data management plan must be developed prior to the commencement of the project. The data management plan should be consistent with relevant requirements contained in the 2018 Code, and accompanying *Management of Data and Information in Research* guide. The data management plan should be compatible with disciplinary standards and describe how participants will manage the long-term preservation of data arising from the ARC funded projects, including but not limited to, storage, access and reuse arrangements where possible.
- (c) We strongly encourage that data arising from the project is deposited in an appropriate publicly accessible discipline and/or institutional repository.
- (d) You must retain the data management plan, and make it available to the ARC if requested.

A2.2.6 Specified Personnel

- (a) In administering the projects under this Agreement, You must:

- A3.2 The period of the Grant is the Project Activity Period.
- A3.3 The Project Activity Period for any project is indicative only of the intent of the Minister at the time of making the offer of the Grant and is not binding on the Commonwealth. In the event that the Minister subsequently makes a determination to vary the Grant, this Agreement will continue to apply to any project granted financial assistance under such a determination.
- A3.4 The project (other than the provision of any final reports) ends when the ARC funded project activity is completed and all Grant funds are spent, which is the Project End Date.
- A3.5 This Agreement ends when You have provided all of the reports and repaid any unspent Grant funds as required under this Agreement, which is the Agreement End Date.

A4 Payment of the Grant

- A4.1 The total amount of the Grant is detailed in the Grant Offer in RMS (GST excl).

- A5.1.2 The ARC requires You to inform the ARC when significant problems occur with an ARC-funded project and/or with any serious matters concerning Specified Personnel. Such reporting matters must be directed to the ARC Post-Award team.
- A5.1.3 If the ARC is not satisfied with the progress of any project, further payment of Grant funds will not be made until satisfactory progress has been made on the project. If satisfactory progress is not achieved within a reasonable period of time, Grant funds will be terminated and all outstanding Grant funds will be recovered by the ARC.
- A5.1.4 Unsatisfactory progress on any project may be noted against any further applications under any ARC scheme submitted on behalf of the Specified Personnel and will be taken into account in the assessment of those applications.

You must request this approval in the End of the Year Financial Report for the calendar year for which the Grant was initially paid.
- A5.2.4 All unspent Grant funds are to be reported to the ARC. If a carryover is requested, it must include all unspent Grant funds allocated to the project even if some of the Grant funds have been distributed to an Other Eligible Organisation through a Participating Organisation Agreement.

- A5.3.3 The Final Report must justify why any Research Outputs from the project have not been made openly accessible within 12 months from the date the Research Output was published. The Final Report must outline how data arising from the project has been made publicly accessible where appropriate.

- A5.3.4 The ARC may also seek additional information about subsequent outputs and outcomes after submission of the Final Report. The ARC may contact You up to five years after the submission of the Final Report for information to assist with evaluation of a Linkage Program grant opportunity.
- A5.3.5 If a Final Report is considered by the ARC to be inadequate, unsatisfactory or is not submitted on time, You will be contacted for further information. If the ARC is not satisfied with the outcomes of the project, this may be noted against any further applications under any ARC scheme submitted with any Specified Personnel named on the project and will be taken into account in the eligibility assessment of those applications.
- A5.3.6 Applications submitted under any ARC scheme with any Specified Personnel on the project for which the Final Report is outstanding may be deemed ineligible for Grant funds.
